

TRAINING AND RESEARCH WORKSHOP

15 – 19 MAY 2023
BIOPOLIS/CIBIO-InBIO, VAIRÃO
PORTUGAL

EVOLUTIONARY GENOMICS FOR PLANT MODELS AND CROPS

PROGRAM

Day one (CIBIO, Vairão) Monday May 15

10h00: Registration
10h15: Welcome intro
(Raquel Tavares, Gabriel Marais, Catarina Branco)

First session: **Major transitions in plant genome and phenotypic evolution**

11h00 : Charlie Scutt – CNRS / ENS Lyon, France
12h30-14h00 : Lunch
14h00 : Jérôme Salse – INRAE Clermont Ferrand, France
15h30-16h00 : Coffee break
16h00-17h30 : Round table
17h30-20h00: Happy hour with Poster session
(participants)

Day two (CIBIO, Vairão) Tuesday May 16

Second session: **Genomics of plant sexual systems**

10h30 : Frédérique Aberlenc - IRD Montpellier, France
12h30-14h00 : Lunch
14h00 : John Pannell – UNIL Lausanne, Switzerland
15h30-16h00 : Coffee break
16h00-17h30 : Round table

Day three (CIBIO, Vairão) Wednesday May 17

Third session: **Genomics of plant domestication**

10h30 : Yves Vigouroux - IRD Montpellier, France
12h30-14h00 : Lunch
14h00 : Tatiana Giraud - CNRS / Université Paris Saclay, France
15h30-16h00 : Coffee break
16h00-17h30 : Round table

Day four (Círculo Universitário, Porto) Thursday May 18

Fourth session: **Plant epigenomics and biodiversity**

10h30 : Vincent Colot – ENS Paris, France
11h30-12h30 : Round table
12h30-14h00: Lunch at Círculo Universitário
14h00-16h30 : Visit of the Galeria da Biodiversidade and Jardim Botânico
From 16h30 : free afternoon or visit of Porto city and cellars (optional)

Day five (CIBIO, Vairão) Friday May 19

Fifth session: **Genomics of plant speciation**

10h30 : Alex Widmer – ETH Zurich, Switzerland
12h00-13h30 : Lunch
13h30 : Claudia Koehler – Max Planck Postdam, Germany
14h30-15h30 : Round table
15h30-16h00 : Coffee break

16h00 : Flash talks of the students about their projects

18h00 : End of the Workshop
